

MEET MELISSA

Melissa Chataigne is a Los Angeles-based fashion stylist, speaker and style expert. Her blog, Chataigne Style, inspires career-minded women through approachable advice on fashion, beauty, travel, weddings and more.

Melissa leads style workshops around the county, emphasizing the importance of finding and expressing your authenticity through fashion. Going beyond clothes and closets, she teaches confidence-building skills and how to overcome body-shaming insecurities.

Melissa's ability to bridge the gap between high-end luxe and real life makes her voice unique, hence why you'll find her guest starring as a style expert for segments on *CBS News*, *Clevver TV*, *LA Times* and more. In 2017, she founded *Style with Purpose*, a philanthropy group and Facebook Live show that connects a global community of creatives and entrepreneurs.

"Working with Melissa is truly a dream. I'm a curvy girl and it's hard to find things that fit well. Melissa blew me away with how well she understood my body type and how to flatter it. Her top priority was that I felt beautiful and confident. And damn, I sure did!"

-DANIKA BRYSHA, IMG CURVE MODEL & FOUNDER, MODEL MEALS

Her Story

Melissa was living the life she dreamed of. After successfully transitioning from a job in healthcare marketing to working as a fashion producer and style expert in LA, she had a roster of high-profile clients and a career on the rise.

Then her younger sister committed suicide. Her life was forever changed. Melissa struggled to find her focus in a world that seem focused on image without intention. Keeping up the facade and catering to Hollywood's obsession with remaining unnaturally thin became increasingly difficult. After all, she herself was born of Haitian descent and certainly wasn't the industry-prescribed size two...she craved something more.

Longing for a balance between style and substance, and lighted by her sister's memory, Melissa launched Chataigne Style. With a renewed focus on self-love and confidence, she is a magnet for body positivity.

TODAY, MELISSA IS COMMITTED TO HELPING CLIENTS OF ALL SIZES LIVE FULLER, MORE AUTHENTIC LIVES.
